

Acanthes 2007 - Accommodation

CROUS - Metz

If you have chosen this option you should know that :

- a deposit of 30% of the total cost of accommodation will be payable at the time of confirming your request for accommodation at Crous which must be made before 1st June 2007. No reservations will be taken without payment of this deposit being made.
- the 'Cité universitaire' is just 15 minutes on foot from the Arsenal. There is, however, a regular bus service which runs until midnight.
- access to bedrooms is secured by a locked entrance hall door and this door must always be kept closed for the sake of security.
At the time of inscription trainees will receive a key to this door and it is recommended that they be vigilant in regard to the closing of this entrance door
- the maintenance of the rooms is ensured by the trainees who will have at their disposal cleaning kits available from the reception area at Crous, note that the rooms must be cleaned before departure
- communal kitchens are installed on each floor of the buildings of the residence for breakfasts, but there are no kitchen utensils. It will thus be necessary to bring such items if you wish to prepare breakfast in-house
- a damage deposit of 40 Euros in cash (or by cheque for French trainees) will be requested from each trainee at the time of his/her inscription and will be returned at the time of the handing-over of the keys at the end of the training course. In the event of damage caused by the trainee (degradation of the furniture of the room, keys not returned at the end of the training course...) this deposit will be used to refund the costs caused by this damage or neglect and justified by an invoice from Crous.
